

## Indiana Dunes National Lakeshore

National Park Service  
U.S. Department of the Interior

### Open House

Park Headquarters: (219) 395-1547  
Website: <http://parkplanning.nps.gov/indushoreline>

Be part of the future. The National Park Service has begun a Shoreline Restoration and Management Plan/Environmental Impact Statement (EIS). This Plan/EIS will identify tools to restore the shoreline, foredunes, and associated biological communities. Please come to one of the following events to share your comments and concerns about shoreline restoration and management. All meetings will share the same information and start with a brief presentation at 6:00pm.

#### For Our Neighbors:

**December 8, 2010** — 6:00 - 8:00pm  
Northwest Indiana Regional Planning Commission
